

TELL US HOW YOU FEEL ABOUT YOUR NEW HOME

We hope you are settling in nicely to your new home.

Your feedback on the quality of your home, and the quality of the service you received while buying your home, is important to us. That is why we are members of the LABC Warranty New Homes Survey.

In the coming weeks you will receive invitation to complete a survey through email or post. It is your chance to share your opinion on your home, helping improve the standards we set in homebuilding.

You can learn more about the survey at labcwarranty.co.uk/nh-survey
